SIX Exchange Regulation AG Hardturmstrasse 201 Postfach CH-8021 Zürich

Communiqué No. 3/2025 of 25 September 2025

Publication: Practice Note of the Prospectus Office

The prospectus offices of SIX Exchange Regulation AG and BX Swiss AG have published a joint <u>practice note</u>. This document provides a concise overview of the current review practices and includes helpful guidance on implementing regulatory requirements.

A key objective of the prospectus offices is to ensure a practice that is both pragmatic and closely aligned with market needs. The statement is intended to offer issuers, advisors and other market participants transparent orientation and to contribute to the consistency of prospectus reviews.

SIX Exchange Regulation Communiqués are available on the Internet in German and English.
