<sup>4</sup> Companies in accordance with Article 13 paragraph 2 letters c and d of the CISA<sup>7</sup> which assume control of the voting rights in companies or sit on the body responsible for the governance, supervision and control of their participations are not deemed to be operating companies.

<sup>5</sup> In addition to their entrepreneurial activities, operating companies may also engage in investments. These may, however, merely represent a subordinate or accessory activity with respect to the main purpose.
